WASHABLE

E' una vera rivoluzione del camoscio.

Sfida il conosciuto oltrepassando i limiti di utilizzo unendo all'eleganza che caratterizza questo materiale, aspetti tecnici che gli consentono di avere migliori performance sul mercato.

Prima pelle scamosciata lavabile senza stingere, mantenendo le caratteristiche di brillantezza e scrivenza che la rendono unica.

È uno dei materiali più versatili che fanno la loro comparsa sul mercato, perché può essere abbinato con un'ampia varietà di materiali, avendo elevate resistenze allo sfregamento e alla migrazione al pvc a confronto di uno scamosciato classico.

WASHABLE

It is a real revolution of the suede.

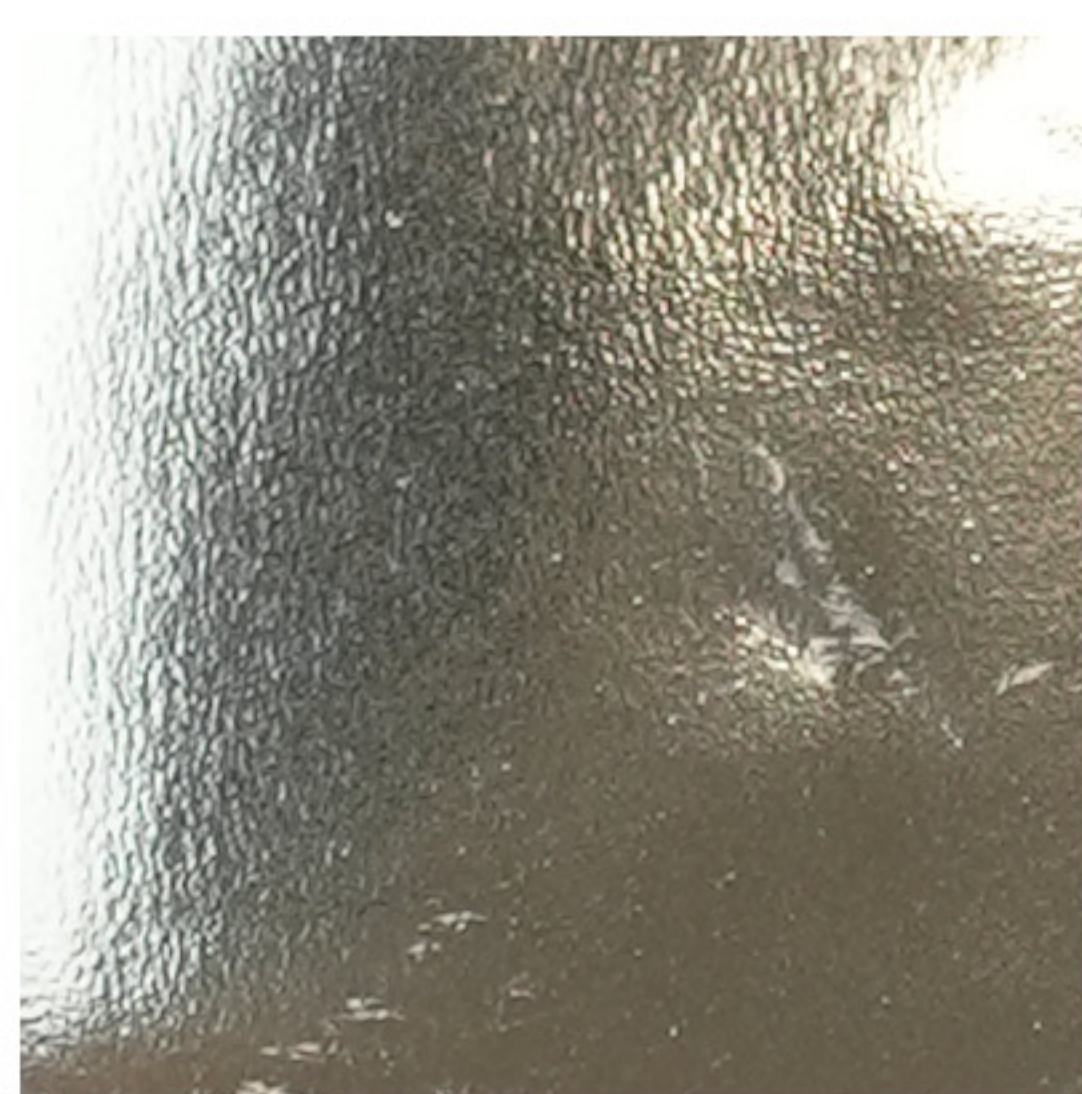

It challenges the known by going beyond the limits of use, by combining the elegance that characterizes this material with technical aspects that allow it to have better performance on the market.

First washable suede without staining and maintaining the characteristics of brilliance and silk sheen effect that make it unique.

It is one of the most versatile materials that make their appearance on the market, because it can be combined with a wide variety of materials, having high resistance to rubbing and migration to PVC compared to a classic suede.
